PERSONAL PROFILE

I am a hardworking and ambitious individual with a tremendous passion for communications and IT work. I am currently entering my senior year at Ridgewood High School. I have a proven track record in designing websites, networking and managing social media accounts. I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of stakeholders. I am eager to be challenged in order to grow and further improve my IT and creative skills. My greatest passion is in life is using my technical know-how to benefit other people and organizations.
